Our Values

At Brighten, we strive to be a lender that makes a positive impact on our customers, our partners, our broader communities, and our planet.

One Home Loan, One Tree, One Hundred Years

As part of our commitment to combatting climate change, for every home loan we settle, Brighten will support Carbon Neutral to plant a tree in the Yarra Biodiversity Corridor, to help restore biodiverse habitat for future generations. All trees planted are legally protected for 100 years – long after your home loan is paid off. [Learn more: https://brighten.com.au/plant-a-tree/](https://brighten.com.au/plant-a-tree/)
